Paper 12 : Concurrent Practicum and Block Placement

Concurrent Practicum and the Block Placement will be suitably selected as per the specialization paper of the student. The Paper will have following components:

- i) Field Work 100 Marks
- ii) Report Writing 25 Marks
- iii) Viva – voce 25 marks

Total 150 Marks

- iv) Block Placement Certificate from the agency where student would be placed after the course work.

Concurrent Practicum will be carried out under expert supervision in the open community setting or agency/industry as per the specialization on two weekdays as specified the institution i.e. 16 hrs. of field work on weekly basis resulting into a minimum of 300 hrs of practical work in the year. The Practicum would aim at guiding students to develop capacity and acquire abilities to initiate and carry out tasks in areas of Social Action , Change and Development . Process and method of practice would be given importance, At the end of the practicum the student should be able to understand the community, identify its needs, resources, problems and areas requiring interventions.

University/ Institution in consultation with the agencies and communities in and around Kota will select agencies and community settings (rural/Urban) for the conduct of concurrent Practicum and Block Placement.

Block Placement will be of two months immediately after the course as per the allotment by the university with any agency or industry according to the choice of specialization. Block Placement performance will be rated by the placement agency on a 3 point scale: Average, Satisfactory, Excellent. The student will have to submit such certificate bearing the rating from the placed agency after the successful completion of the block placement to the university and that rating will be shown in Marksheet of the student.
