Course Structure with Distribution of Marks

Objectives of the Course:

Innovation and Employability- Management is the essence of Business. The Management of Business has become more complex and difficult in the fast changing scenario of global economy. Many new and complex issues have emerged over the years which require focused attention of the policy planners and practitioners. The Growing demand of Management Professionals in the Corporate world has given significance to this course. The course has been designed keeping in mind skills required by the Industry so that the Management students graduating are placeable in the Industry according to the need.

Objectives:

- ✓ To generate managerial skills for dealing with Business.
- ✓ To locate, ensure, recognize and develop the enabling capabilities of students for management of Business.
- ✓ To develop skills in Students so that they are placeable in the Industry

Duration of the Course:

The course MBA. (Management) shall consist of two academic years divided into four semesters.

Structure of the Programme:

The MBA(Management) programme consists of:

- (i) Core and Skill based courses of theory as well as practical papers which are compulsory for all students.
- (ii) Dissertation/Project Work/Summer training/Field work which can be done in an organization (Government, Industry, Firm, Public Enterprise, *etc.*) approved by the Department.

Scheme of Examinations:

The examination shall be divided into two parts in which first part is continuous assessment or internal assessment and second part is semester assessment or external assessment. The schemes for the internal and external examinations shall be as under:

- a) The assessment of the student for theory paper shall be divided into two parts in which first part is continuous assessment or internal assessment (30% of maximum marks) and second part is semester assessment or external assessment (70% of maximum marks). For practical papers there will be only one external assessment (100% of maximum marks).
- b) The internal assessment for each theory paper shall be taken by the teacher concerned in the Department during each semester. There will be two internal assessment tests each of 15% weightage, for theory papers in each semester. Each internal assessment test shall be of one hour duration for each paper and shall be taken according to academic calendar notified by the University. There will be no internal examination in the practical paper.
- c) A student who remains absent (defaulter) or fails or wants to improve the marks in the internal assessment may be permitted to appear in the desired paper(s) (only one time) in the same semester with the permission of the concerned Head of the Department. A defaulter / improvement fee of Rupees 250/- per paper shall be charged from such candidates. Duly forwarded application of such candidates by the teacher concerned shall be submitted to HOD who may permit the candidate to appear in the internal assessment after depositing the defaulter/ improvement fee. A record of such candidates shall be kept in the Department.

- d) The external assessment shall be of three hours duration for each theory paper and six hours duration for practical paper. The practical examination shall be taken by the panel of at least one external and one internal examiner at the end of each semester.
- e) The syllabus for each theory paper is divided into five independent units and each theory question paper will be divided into three sections as mentioned below:
- **Section-A** shall have 01 compulsory question comprising 10 questions (maximum 20 words answer) taking two questions from each unit. Each question shall be of one mark and total marks of this section will be 10. This section will be compulsory in the paper.
 - **Section-B** will carry 25 marks with equally divided into five long answer type questions (answer about in 250 words) and examiners are advised to set two questions from each unit and students are instructed to attempt five questions by selecting one question from each unit.
 - **Section-C** will contain five long answer type questions. One compulsory question of 15 marks and four questions of 10 marks each. Students are instructed to attempt total three questions with one compulsory question (answer about in 500 words) of and any two more questions (answer about in 400 words) out of remaining four questions. Paper setter shall be instructed to design question paper covering from all five units.
- f) The pattern of question paper of internal and external shall be as follows:
- (A) Continuous or Internal Assessment:**
30% weightage of Maximum Marks (30 Marks out of 100 Maximum Marks)

DEPARTMENT OF COMMERCE & MANAGEMENT
UNIVERSITY OF KOTA, KOTA
First/Second Internal Test 20.....

Duration of Exam: 1.00 Hr

Max. Marks: 15

Class: MBA

Semester:

Or

5 Marks

Q. No. 5.

Or

5 Marks

Q. No. 6.

Or

5 Marks

SECTION-C: 1x15 + 2x10=35

(Answer any three questions including compulsory Q.No. 7)

(Maximum four sub-divisions only)

Q. No. 7. **15 Marks**

Q. No. 8. **10 Marks**

Q. No. 9. **10 Marks**

Q. No. 10. **10 Marks**

Q. No. 11. **10 Marks**

Distribution of Marks for Practical Examinations:

Duration of Exam: Interview based

Maximum Marks: 100

S. No.	Name of Exercise	Marks
1.	Project Report	40
2.	Viva-voce	60
Total Marks		100

Rules regarding determination of results:

Each semester shall be regarded as a unit for working out the result of the candidates. The result of the each semester examination shall be worked out separately (even if he/she has appeared at the paper of the lower semester along with the papers of higher semester) in accordance with the following conditions:

- a) The candidate shall be declared as pass in a semester examination, if he/she secures at least 40% marks in each theory paper separately in external & internal examination and 50% marks in each practical paper and at least 50 % marks in project/dissertation with 50% aggregate marks in that semester.
- b) A candidate declared as fail/absent in one or more papers at any odd semester examination shall be permitted to take admission in the next higher semester (even semester) of the same academic session.
- c) A candidate may be promoted in the next academic session (odd semester) if he/she has cleared collectively at least 50% of the papers of both semesters of previous academic session with 50% of the aggregate marks. The candidate who does not fulfill the above condition will remain as an ex-student and will reappear in the due papers along with next odd/even semester exams.
- d) If any student who is provisionally admitted in higher odd semester but could not secure prescribed minimum marks in previous semesters will be treated as ex-student and his/her admission fee will be carry forwarded to the next odd semester of forthcoming academic session.
- e) If a candidate, who is declared as pass, wishes to improve his/her performance in the theory papers of previous semester, he/she may re-appear only one time in these papers in next odd/even semester examinations.
- f) Candidate shall not be permitted to re-appear or improve the marks obtained in the external examination of practical / dissertation in any condition.
- g) If the number of papers prescribed in a semester examination is an odd number, it shall be increased by one for the purpose of reckoning 50% of the papers for considering the student pass/fail.
- h) A candidate may be given only two additional chances for passing the semester thus maximum tenure for completing the two years' postgraduate course will be limited to four years, for three years postgraduate programme up to five years and so on.
- i) The marks secured in the Gen Hindi, Gen English, Elementary Computer applications and Environment studies shall not be counted in awarding the division to a candidate. The candidate shall have to clear the compulsory subjects in the additional three chances and non-appearance or absence in the examination of compulsory subjects shall be counted as chance and shall be declared fail in that examination.
- j) The grace marks scheme shall be applicable as per University norms.

Classification of Successful Candidates:

The classification of successful candidates after last semester examination shall be as under:

Description of Marks Obtained	Division / Result
• 80% and above marks in a paper.	Distinction in that paper.
• A candidate who has secured aggregate 60% and above marks	First Division
• A candidate who has secured aggregate 50% and above but less than 60% marks	Second Division

M-204
RESEARCH METHODS IN MANAGEMENT

Course/Paper : 204
MBA Semester-II

Max.Marks : 70
Time : 3 Hrs.

Objective:

The objective of the course is to enable the students, in developing the most appropriate methodology for their research studies and to make familiar with the art of using different research methods and techniques. o understand the concept and process of Business research in business environment.

Unit – I

Research: Definition, Importance, Types, Steps in Research Methodology, Defining Research Problem; Research Design.

Unit – II

Sampling Design: Types of Sample, Purpose and advantages of sampling, Measurement and Scaling, Multi-dimensional scaling.

Types of Data: Primary, Secondary; Techniques of Data Collection: Questionnaire, Interview and Schedule and their formats.

Unit – III

Hypothesis Formulation: Meaning, Nature, types, characteristics of a useful hypothesis, importance of a Hypothesis, testing hypothesis.

Research Report Writing, Referencing: APA and MLA, Bibliography.

Unit IV

Introduction to Project Management: Definition, functions, evolution of Project Management, classification of projects, project life cycle, **Project Feasibility Study:** Developing a project plan, market and technical analysis, financial analysis

Unit V

Project Planning: Planning fundamentals, project master plan, work breakdown structure & other tools of project planning, work packages project organization structures & responsibilities, responsibility matrix.

Project Management Information System: Computer based tools, features of PMIS, using project management software, (MS Projects) **Project Evaluation, Reporting & Termination:** Project reviews & reporting, closing the contract.

H-302
TRAINING AND DEVELOPMENT

Course/Paper : H-302
MBA Semester-III

Max.Marks : 70
Time : 3 Hrs.

Objective:

The Purpose of this paper is to provide an in-depth understanding of the role of training in the HRD and to enable the course participants to manage the Training system and processes.

Unit I

Introduction to Training & Development - Training and Training needs Assessment, Training Design and Administration

Unit II

Training Process: An Overview; Role Responsibility and Challenges to Training Managers; Organization and Management of Training Function; Training Needs Assessment and Action Research; Instruction Objectives and Lesson Planning; Learning Process;

Unit III

Training Climate and Pedagogy; Developing Training Modules, Training methods, Training Strategy.

Trainer & Training Institutions - Trainers Profile, Types of Training Institutions, Trainer as a change Agent, MDP and EDPs.

Unit IV

Evaluation of Training - Training evaluation & ROI, Trainer of Training, Measurement Tools & Technique, Feedback Mechanism

Unit V

Training Methods and Techniques: Facilities Planning and Training Aids; Organizing the training Department, controlling training, Training Communication; Training Evaluation; Training and Development in India. Case Study.

Suggested Readings :

- Blanchard, P. Nick, Effective Training: Systems, Strategies and Practices, New Delhi, Pearson.

P-304

PRODUCTION PLANNING AND CONTROL

Course/Paper : P-303
MBA Semester-III

Max.Marks : 70
Time : 3 Hrs.

Objective:

To get acquainted with the basic aspects of Production Management. The course attempts to discuss various important planning, organizing and controlling aspects of Operations Management.

Unit I

History and Overview of Production Management. Capacity Planning, Location Planning, Types of Production Processes. Layout Planning, Productivity Management, Deterministic and Probabilistic Inventory Management models, Purchasing and Warehousing. Methods Study, Motion Study and Work Measurement. Job Evaluation. Wage Incentive Schemes. Value Analysis

Unit II

Production systems, type of production, Functions of production, planning and control, production procedure.

Sales forecasting: Nature and uses of forecast sources of data Forecasting techniques:

Unit III

Production order: Process charts, Production master programme breakdown production order and preparation of various cards like job card, materials requisition from inspection card etc.

Unit IV

Production -Planning: for continuous, batch and job order production:. Capacity planning, planning models-static and dynamic.

Unit V

Scheduling: Forms of Schedules, Loading and Scheduling, Basic scheduling problems: Flow production scheduling; job shop scheduling. Random order scheduling; product sequencing. Production control of processes and production activities. Cost control; Dispatching and expediting; Recording progress and feedback information in order to improve future planning.
