SYLLABUS

SCHEME OF EXAMINATION AND COURSE OF STUDY

FACULTY OF SOCIAL SCIENCES

Master of Social Work

(Four Semesters Course)

2018-19

Master of Social Work:

The Master of Social Work is a two years full time course. The course has been organized in IV semesters over two years. That means two semesters per year.

Scheme of Examination:

The Scheme of examination and Question paper pattern is as per the common scheme recommended in the recommendations of meeting dt.1.6.15 and 10.06.15 as notified in agenda item no.2 of the meeting notice.

Each semester shall be regarded as a unit for working out the result of the candidates. The result of each semester examination shall be worked out separately (even if the candidate has appeared at the paper(s) of the lower semester examination along with the papers of higher semester examination) in accordance with the following conditions:

- (i) A candidate, for a semester examination, shall be offered all the papers prescribed for that semester examination and besides he/she also shall be offered paper(s) not cleared by him/her at any of the lower semester examination subject to the limitation that the number of un-cleared papers of the lower semester examinations shall not exceed the total number of the papers prescribed for any one semester.
- (ii) The candidate shall be declared to have passed the examination, if the candidate secures at least 40% marks in each theory paper separately in continuous or internal or mid-term examination & semester or external or end-term examination and 50% marks in each practical / project / seminar with 50% aggregate marks of the maximum marks prescribed for each semester examination. There is no minimum pass marks for the practical record / notebook. However, submission of a practical record / notebook is a mandatory during the practical examination. The candidate should compulsorily attend viva-voce / presentation examination to secure pass in practical / project / seminar.
- (iii) A candidate, who has been declared as failed/absent in one or more theory paper(s) at any odd semester examination shall be permitted to join the courses of study for the next higher semester *i.e.* permitted to join the course of second semester after first semester examinations, permitted to join the course of fourth semester after third semester examination, permitted to join the course of sixth semester after fifth semester examinations and so on and eligible to re-appear in that paper(s) as due paper(s) along with next higher semester (next year) examinations provided that he/she must have cleared at least 50% of the papers (including practical / project /

seminar as one paper) collectively prescribed for the first and second semester examinations taken together for promotion to the third semester examination.

- (iv) A candidate may be promoted in the next semester (odd semester) if he/she has cleared collectively at least 50% of the papers of both semesters of previous academic session with 50% of the aggregate marks. The candidate who does not fulfil the this condition will remain in the same semester as an ex-student and will re-appear in the due papers examination along with next odd/even semester examinations.
- (v) If any student who is provisionally admitted in higher odd semester but could not secure prescribed minimum marks in previous semesters will be treated as ex-student and his/her admission fee will be carry forwarded to the next odd semester of forthcoming academic session.
- (vi) A candidate declared as failed in that particular paper he/she can re-appear for that paper in the next year examination as a due paper. However, the internal marks shall be carried forward for the total marks of the due examination.
- (vii) A candidate may be given only two additional chances for passing the semester thus maximum tenure for completing the two years' postgraduate MSW course will be limited to four years..
- (viii) If the number of papers prescribed at the first and second or third and fourth semester examination is an odd number, it shall be increased by one for the purpose of reckoning 50% of the papers.
- (ix) A candidate who passes in 50% or more papers of the first and second semester examination, and thereby becomes eligible for admission to the third semester examination, but chooses not to do so and desires to appear in the remaining papers of first and second semester examination only or to re-appear in all the prescribed papers and practical/seminar of the MSW first and second semester examination will be permitted to do so on the condition that in the latter case his previous performance will be treated as cancelled.
- (x) If a candidate, who has been promoted to the next semester and wishes to improve his/ her performance in the theory paper(s) of previous semester, can be permitted to do so in case of the theory papers only, not in practical/ project/ seminar, belonging to the immediately preceding semester only for one time in these papers in next odd/even semester examinations. In such a case, he/she shall have to appear in these papers along with the papers of his/ her own semester.
- (xi) A candidate shall be declared as passed after the result of the fourth semester examination, if he/she cleared all papers of the all the four semesters and secure minimum 40% of the aggregate marks of the maximum marks in theory papers and 50% of the aggregate marks of the maximum marks for practical / presentation / seminar prescribed for four semesters Master's programme.
- (xii) In the case of an ex-student, the marks secured by him/her at his/her last examination as a regular candidate shall be taken into account except in cases where a candidate is re-appearing at the examination as a regular student and in that event he/she shall

have to repeat the internal assessment test which will be finally accounted for working out his result.

- (xiii) A candidate who has failed at the MSW third and fourth semester examination but has passed in at least 50% of the papers prescribed for the examination shall be exempted from re-appearing in a subsequent year in the papers in which he/she has passed.
- (xiv) If a candidate clears any paper(s) prescribed at the first and second semester (previous) and/or third and fourth semester (final) examination after a continuous period of three years, then for the purpose of working out his/her division, only the minimum pass marks shall be taken into account in respect of such paper(s) as are cleared after the aforesaid period provided that in case where a candidate requires more than 40% marks in order to reach the requisite minimum aggregate, as many marks out of those secured by him/her will be taken in to account as would enable him/her to make up the deficiency in the requisite minimum aggregate.
- (xv) In case the candidate is not able to clear his/her due paper(s) in the stipulated period as mentioned above (continuous period of three years), he/she may be given last one mercy attempt to clear due paper(s) subjected to approval of the Vice Chancellor or Board of Management.
- (xvi) The grace marks scheme shall be applicable as per University norms.

Classification of Successful Candidates:

The classification of successful candidates after last semester examination shall be as:

Description of Marks Obtained	Division / Result
• 80% and above marks in a paper.	Distinction in that paper.
• A candidate who has secured aggregate 60% and above marks	First Division
• A candidate who has secured aggregate 50% and above but less than 60% marks	Second Division

Candidates who pass all the examinations prescribed for the course in the first instance and within a period two academic years in four semesters from the year / semester of admission to the course only are eligible for University Ranking. A candidate is deemed to have secured first rank provided he/she

- (i) Should have passed all the papers in first attempt itself.
- (ii) Should have secured the highest marks in the whole examination of the programme / course, or should have secured the highest cumulative grade point average (CGPA).

Following rules have been recommended for internal assessment:

- (a) The internal assessment for each theory paper shall be taken by the teacher concerned in the Department during each semester. There will be two internal assessment tests each of 15% weightage, for theory papers in each semester. Each internal assessment test shall be of one hour duration for each paper and shall be taken according to academic calendar notified by the University. **There will be no internal examination in the practical paper.**

- (b) A student, who remains absent (defaulter) or fails or wants to improve the marks in the internal assessment, may be permitted to appear in the desired paper(s) (only one time) in the same semester with the permission of the concerned Head of the Department. A defaulter / improvement fee of Rupees 250/- per paper shall be charged from such candidates. Duly forwarded application of such candidates by the teacher concerned shall be submitted to HOD who may permit the candidate to appear in the internal assessment after depositing the defaulter/ improvement fee. A record of such candidates shall be kept in the Department.

Following rules are recommended for Semester Assessment or External Assessment:

- (a) The external assessment shall be of three hours duration for each theory paper and the duration of field work will be at least two hours per week for practicum. The practicum examination shall be taken by the panel of at least one external and one internal examiner at the end of each semester.
- (b) The syllabus for each theory paper is divided into five independent units and the **Pattern of question paper** for each theory question paper will be divided into three sections as mentioned below:
- **Section-A** shall have 01 compulsory question comprising 10 questions (maximum 20 words answer) taking two questions from each unit. Each question shall be of one mark and total marks of this section will be 10. This section will be compulsory in the paper.
 - **Section-B** will carry 25 marks with equally divided in to five long answer type questions (answer about in 250 words) and examiners are advised to set two questions from each unit and students are instructed to attempt five questions by selecting one question from each unit.
 - **Section-C** will contain five long answer type questions. One compulsory question of 15 marks and four questions of 10 marks each. Students are instructed to attempt total three questions with one compulsory question (answer about in 500 words) of and any two more questions (answer about in 400 words) out of remaining four questions. Paper setter shall be instructed to design question paper covering from all five units.

Course Structure

Semester	Paper Code	Nomenclature	Maximum Marks	
			Internal	External
First Semester	101	Introduction to Social Work	30	70
	102	Indian Society and Social Structure	30	70
	103	Personality Development and Human Behaviour	30	70

Elective I – 304 E : Use of Statistical Methods in Social Work

Unit-1

Introduction – Definition of Statistics. Levels of, Measurement – Normal Ordinal and Ratio. Tables – Textual, Semi-Tabular Tables, Frequency Distribution – Construction Frequency Distribution Table for Discrete and Continuous Variable. Graphical and Diagrammatic Representations of the Data. Bar Diagram, Histograms, Frequency Polygon, Frequency Curve, A give Pie Diagrams.

Unit-2

Measurement of Central Tendency – Arithmetic Mean, Median. Mode and Geometric Mean. – Definitions, Characteristics and Uses. Measure of Dispersion – Range, Mean Deviation, Quartile Deviation and Standard Deviation – Definitions, Characteristics Uses.

Unit-3

Coefficient of Variations Correlation – Simple correlation Coefficient, Rank Correlation coefficient. Linear Regressions; Constants of Regression Equation.

Unit-4

Index Number, Analysis of Time Series and Curve Fitting, Probability, Mathematical Expectation and Probability distributions (Binomial, Poisson, and Normal).

Unit-5

Sampling Techniques, Sampling Errors- Type I and II, Applications of Z, t, F & x² (Chi-square test) Tests, Testing of Hypothesis. Introduction to Data analysis through Statistical Packages: MS Exel, SPSS, PSPP.
